George/Jim, would 4B consider paying the bill to have much needed security lighting added to the complex? Marvin and Eddy (of Sharyland) met last week to discuss options for security lighting. As it stands now there is not enough security lighting to deter vandalism and there has been a lot of vandalism over the year.

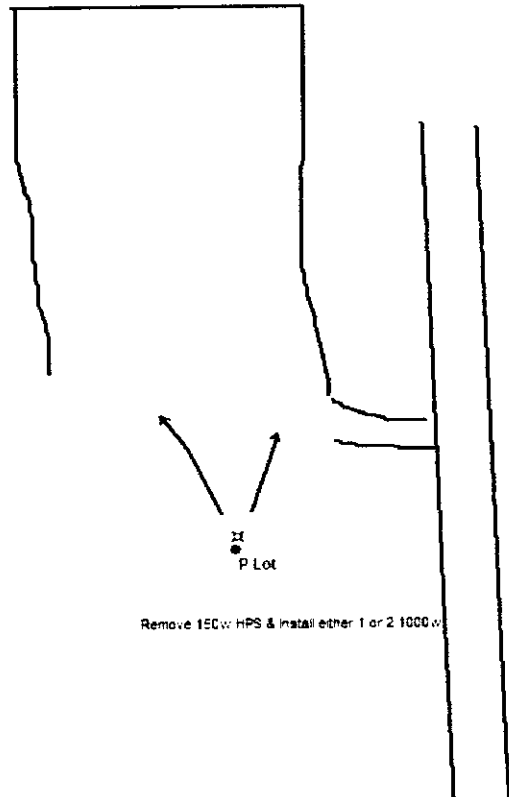

Please review the attached quote and let me know if 4B would consider paying for this security lighting upgrade.

Thanks.

Joe

Light plan around Main fields and Concession area

Option plan for South parking lot

Costs to install lights at JW Spain Complex

Concession Area

	Each	Quantity	Total
1000 watt Directional Lights	\$ 480.26	5	\$ 2,401.30
