

City of Farmersville  
 Community Development Corporation (4B)  
 City of Farmersville Accomplishments  
 13 March 2017

1. J.W. Spain Athletic Complex
  - a. Contacted Halff to work on new estimate for the west parking lot.
  - b. Contacted Halff to generate estimate to complete park concept plan.
2. City Park and Parkway
  - a. Bill Daniel now working with city crew pruning trees. Trimming trees with Bill is every Tuesday and Thursday at 9:00 for about 3 hours.
3. Downtown
  - a. Removed last of the Christmas lights.
4. Southlake Park
  - a. Fishing dock in need of repair.
5. Civic Center/Library/Senior Center
  - a. Senior citizens continue to identify the need for a concrete parking lot with lighting. Mike Goldstein, Charlie Whitaker, Eddy Daniel, Chad Whitaker, and Ben White met to support the project. They are currently getting quotes for: senior center parking lot, parking lot lighting, repair of mold damage at library (flooring), vent hood fire suppression system at civic center, ventilation on civic center and library.
  - b. Library flooring is being tested for mold. Test results indicated mold but it was not life threatening.
6. Elsewhere
  - a. Signal light Sycamore at SH78 design is signed off. Awaiting construction.
  - b. City Hall reconstruction substantially complete. Everyone is back to their assign places!!
  - c. New credit card chip style readers at customer service area in city hall.
  - d. Some delays concerning Main Street grant for ADA improvements. Contract need to be resigned.
  - e. Chamber Office awning in need of repair.
  - f. Initiated work concerning silent railroad crossing. Started gather equipment to do traffic counts.
7. Projects
